

Jr./Sr. High School School Supply List – 2018-19

Most course offered at the Jr./Sr. High School will require common items such as pencils, pens, notebooks, and folders. Many of the items required for each course will be listed on each teacher's course syllabus, which will be distributed to students on the first day of school. The following teachers have provided a list of some specific items that students will need for certain classes. If you have more questions regarding a specific class, contact information for the Jr./Sr. High School Staff is available on the District website.

Miss Jurrens

Physical Science (9th Grade)

1. TI-30XIIS calculator

Mrs. Loofbourrow

7th Grade English/Language Arts and Literature (listed items cover both classes)

1. writing utensils that don't write green (at least 5 pencils & 2 pens other than black ink)
2. 2 folders used only for these classes—do not label them yet
3. 1 three-subject notebook—also used for both classes (We will use all 3 sections!)
4. 100 sheets loose-leaf paper (college or wide ruled)
5. Post-it notes—1 pkg. of 100 (3x3 or larger)
6. 2 highlighters (any 2 different colors)

English II (Sophomores)

1. 50 notecards (size 3x5) for speeches (no multi-colored cards per speech)
2. writing utensils that don't write green
3. folder used only for English—must have "English" written on it in permanent ink
4. 1 single-subject notebook— "English" permanently on this also (to be left in the room periodically to be graded)

English III (Juniors)

1. 100 post-it notes (3-inch square or larger)
2. 1 pink highlighter and 1 yellow highlighter
3. writing utensils that don't write green
4. folder used only for English—labeled as such & used for entire year
5. 1 single-subject notebook, English only—also labeled

English IV (Seniors)

1. 2 different color highlighters
2. writing utensils that don't write green
3. folder used only for English—labeled as such
4. 1 single-subject notebook, English only (to be left in room periodically to be graded)
5. 100 post-it notes (3-inch square or larger)

Mr. Loofbourrow

Chemistry & Physics (Juniors & Seniors)

1. TI-83 or better calculator is recommended. One will be provided by the school for you to use, but you may purchase your own if you prefer.
2. A small binder or folder to keep your notes, daily work, labs, and quizzes organized.
3. A paper grocery bag to make a cover for your textbook.

Mrs. Petersen

7th Grade Math

1. 3 ring binder (1 in.)
