Dear Parent(s) and/or Guardian(s):

In cooperation with the Community Food Banks of South Dakota and a local volunteer committee, Freeman Elementary School has been chosen to participate in a special program called the Sack Pack Program. The Sack Pack Program gives children a sack of nutritious, easy-to-prepare snacks for the weekend.

All Freeman students in Kindergarten-6th Grade will have the opportunity to take advantage of this program. Due to limited funding, this program will be offered to the first 100 students who return the attached permission slip. Please sign and return the slip below to notify us if you would like to participate. Please return the permission slip as soon as possible. Please remember it's limited to the first 100 students, so it will be a first come, first serve opportunity for those interested.

This program is designed specifically for those families in need. Families who are struggling and having difficulties supplying ample amounts of food for their children over the weekend should participate. If your family is able to provide adequate nutrition over the weekend, please do not participate, as many more may be in need and funding is limited.

The Sack Pack Program will begin on September 7th and continue until the end of the school year. The volunteer committee will not have access to any names of families participating. They will be preparing the sacks for us and delivering them to school. The sacks will then be handed out on Fridays or at the end of each school week. Your child's classroom teacher will distribute the sack to your child in the classroom.

If you have more than 1 child at Freeman Elementary in Kindergarten-6th Grade, you only need to return 1 form. Please write each child's name and circle their grade level. Complete the form with your signature. We are excited about this opportunity and look forward to supplying packs of food to those families who wish to participate. If you have any further questions, please contact me at school.

Sincerely,

Shane Voss, Elementary Principal
